Welcome to Our Company

Welcome to Great Trading, a dynamic and trusted construction company headquartered in the State of Qatar. With over 9+ years of excellence in the construction industry, we specialize in Fit-Out, General Construction, Aluminum & UPVC Works, and MEP & Infrastructure solutions. From concept to completion, we deliver high-quality, innovative, and sustainable construction services that exceed client expectations across Qatar.

Our Mission

Our mission is to deliver superior quality construction and engineering solutions through professionalism, innovation & commitment to excellence.

Our Vision

To be recognized as one of the leading and most trusted construction companies in Qatar and to expand our footprint as a global player in the construction

Our Goal

Achieve operational excellence in every project we undertake. Maintain the highest standards of Health, Safety, and Environment (HSE) across all operations.

MESSAGE FROM OUR CEO

I am proud to be the CEO of GREAT TRADING CONTRACTING SERVICES, leading a team of dedicated professionals who strive for excellence in every project we undertake. Our journey has been one of growth, innovation, and an unwavering commitment to quality and customer satisfaction.

At GREAT TRADING CONTRACTING SERVICES, we believe construction is not just about building structures; it's about building communities, creating lasting legacies, and transforming visions into reality. Our trading division complements this mission by sourcing and supplying the highest quality materials and products, ensuring every project is built to last.

Looking to the future, we are excited about the opportunities that lie ahead. We remain committed to delivering exceptional results and making a positive impact on the communities we serve. Thank you for your continued support and trust in GREAT TRADING CONTRACTING SERVICES

Together, let’s build a brighter future.

iv. Complete Turnkey Fit-Out Solutions

- **Construction Division**

i. General Construction & Civil Works
ii. Villa Construction
iii. Road Works & Infrastructure Development
iv. Kerb Stone Installation & Interlock Paving
v. Excavation, Backfilling & Earthworks
vi. Road Cutting and Reinstatement Works

Company History

GREAT TRADING was established in Qatar with a clear vision to deliver excellence in the construction industry. Over the past 16+ years, we have grown from a specialized contracting firm into a diversified and trusted construction company, offering integrated solutions across multiple sectors. Starting with infrastructure and civil works, we have successfully expanded our capabilities to include premium fit-outs, aluminum & UPVC systems, and full MEP & infrastructure services.

Key Milestones

2008–2010: Foundation and early years focusing on road works, interlock, and infrastructure projects.

Awards

2011–2015: Successful expansion into Street Lighting Projects and MEP works, completing major projects in Jameelia and other areas.

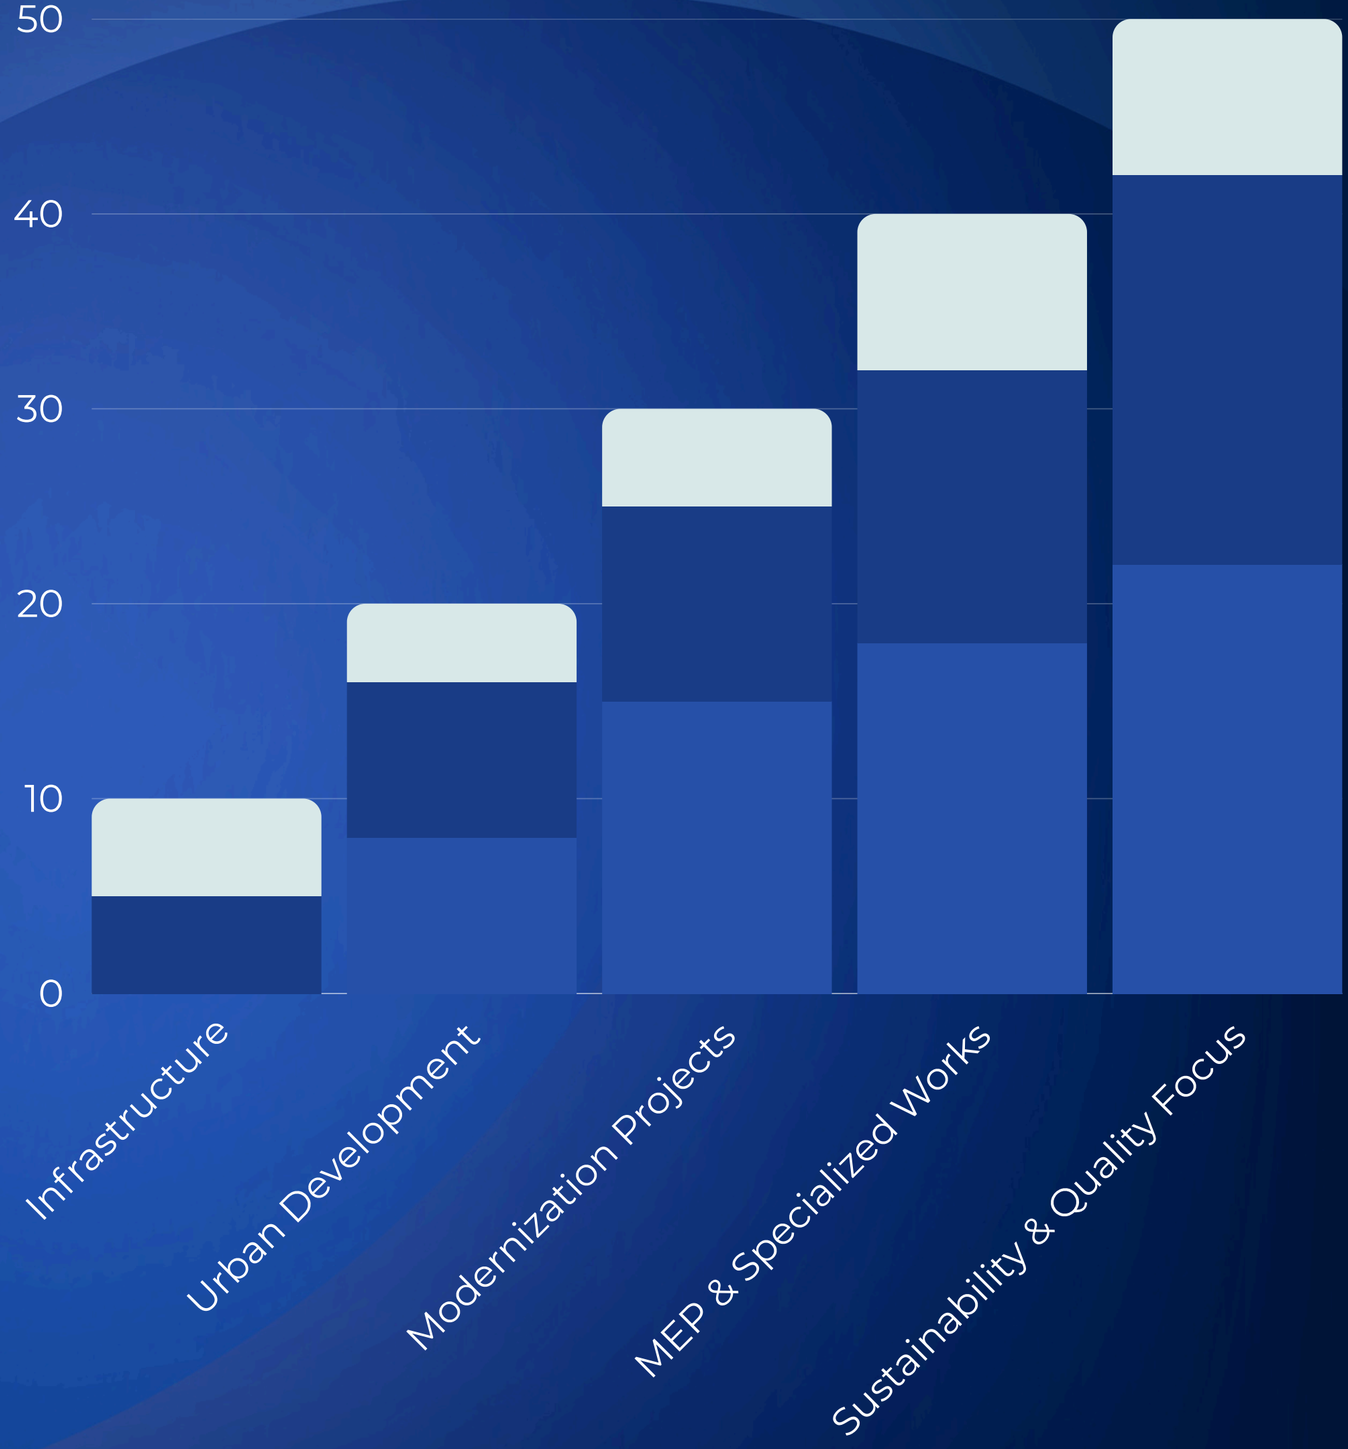

Events

2016–2020: Entry into high-value projects including stadium upgrades and airport developments. 2021–Present: Diversification into premium Fit-Out

Market Analysis

The construction industry in Qatar continues to show strong growth, driven by Qatar National Vision 2030, ongoing infrastructure development, and mega-projects in preparation for future events.

Milestones

2017: Establishment of GREAT TRADING with initial focus on road works, interlock paving, and civil infrastructure projects. 2012–2015: Significant growth through successful execution of major Street Lighting Projects and excavation works.

KEY

2016–2019: Expanded into high-value government projects including stadium upgrades and airport-related developments

KEY

2020–2022: Successfully diversified into premium Fit-Out Works, Villa Construction, and Aluminum & UPVC systems.

KEY

Nearing completion of the prestigious Street Lighting Project at Lejbailat Area. Actively executing several ongoing villa and commercial fit-out projects.

Future Plans

- At GREAT TRADING, we are committed to continuous growth and innovation as we look toward the future. Our strategic vision is aligned with Qatar National Vision 2030 and the evolving needs of the construction industry. Expand our operations to take on larger-scale projects as a Main Contractor and increase our market share in Qatar’s construction sector.
- Further strengthen our four core divisions while introducing new capabilities such as sustainable/green construction, Building Information Modeling (BIM), and advanced smart infrastructure solutions. Invest in modern construction technologies, digital project management systems, and automation to improve efficiency, quality, and safety.
